DISCLAIMER

PLEASE NOTE: Use of pre-qualified impact resistant products may qualify for premium discounts in some states/provinces. State Farm does not endorse or recommend roofing products, nor is the application of a discount to be construed as any type of an express or implied warranty by the manufacturer, supplier, installer, or State Farm. Only products bearing the proper certification label are eligible for consideration. Contact your State Farm agent for more information regarding the "Roof Installation Information and Certification Form". Roofing material (except metal roofing) overlaid onto existing roofing does not qualify.

To receive a premium reduction for qualifying metal roofing products, you must sign an endorsement ("Exclusion of Cosmetic Loss to Metal Roof Covering Caused by Hail"). See your agent for details. Other qualified products not on this list may be available--check with your State Farm agent.
